The Fluid Extract of Orobanche is composed entirely of the products of the vegetable kingdom, so combined as to possess in the greatest perfection the virtues and powers of an alterative and purifier of the blood. CHRONIC RHEUMATISM CURED! GEORGETOWN, Jan. 31, 1853. DEAR SIR: It is with a sense of gratitude, and lesire that others suffering from disease may duced to use the Ratract of Beech Drep, that I consent to give the following statement for publicity Until the last month I was a sufferer from Chronic Rheumatism, from the effects of which my health war so completely undermined and broken up, that lost 20 or 50 pounds of my usual weight. Anxious to find some relief, I resorted to the most approved patent medicines. I used a number of bottles of lownsend's Sarsaparilla, and exhausted the list of Liniments, without any effect. My joints now betimes a night. The muscles of my legs were so contracted that I presented the appearance of a man of sixty-five when I walked. In this condition, more through curiosity than a belief in its good effects, I commenced the use of your Beach Drop, and in ten or twelve days the swelling about my joints had subable to resume my business, and can walk with the

same ease and comfort that I formerly did. Yours truly, &c., ISAAC Barret, Georgetown. GEORGETOWN, February 1, 1854.

MR. KIDWELL-SIR: A female member of my family aged 14 years, had been affected with a painful Scro fulous affection of the ear for 4 years, and although the best medical advice was had here and in Baltimore, still the disease increased and the pain often became almost intolerable. Hearing of the efficacious effects of your Beech Drop in such cases, I procured it, and after asing one bottle so evident was her improvement that we persevered with it. When she had used 4 bottles, her health was perfectly restored. Our neighbors and friends who saw her condition prior to using the Beech Drop, unite in attributing to your
